#### Terms & Conditions for Charges At Customer Site

1. "Xpns"—Charges for standard Training Classes represent expense charges billed at exact costs for travel, lodging and meals.
2. Proposals are required for any consulting, instructional design for E-Learning, or training requiring customized design or special preparation.
3. Short term consulting, anticipated to require less than 40 hours, will be billed at a rate of \$65 per hour. If the time required is anticipated to require more than 40 hours, we will provide a project proposal.
4. To register for a training class either at our facility or at your selected site, we require a purchase order including a registration prepayment of 15% of the required fees as determined from our Training & Consulting Fee Schedule.
5. **Cancellations:** We must receive a written cancellation 12 business days prior to the scheduled starting date for your requested class session to receive a 100% refund of the registration prepayment charge. If you cancel or reschedule your training session within eleven to five business days prior to your scheduled course, you will receive 50% of the registration prepayment charge. Cancellations made later than five business days prior to the class starting date will receive no refund. If we cancel a course, we will issue a full refund.
